D. Sai Pranathi

First-Year B.Tech Student | Dr. RVR NRIIT DTBU

SP

Hello, I'm Sai Pranathi!

I am a first-year B.Tech student who enjoys coding and learning Python. I am starting my journey in technology and improving my skills through practice and small academic projects.

View My Projects Contact Me

About Me

My name is D. Sai Pranathi. I study B.Tech first year at Dr. RVR NRIIT DTBU. I am interested in coding and learning new things about computers. As a

beginner, I want to improve my programming knowledge by practising simple programs and working on academic projects.

Educational Qualifications

Bachelor of Technology (B.Tech)

College: Dr. RVR NRIIT DTBU

Year: First Year

Status: Currently studying

Technical Skills

Basic Coding

I enjoy solving simple coding questions and learning programming step by step.

Beginner

Python

Learning Python basics such as variables, input, output, conditions, and loops.

Python basics

Problem Solving

Practising how to understand a problem and find a simple solution.

Learning Goals

Planning to learn more programming concepts and create beginner projects.

My Hobbies

🎵 Listening to Music

I enjoy listening to music during my free time because it helps me relax.

🏸 Playing Badminton

I like playing badminton to stay active and have fun with friends.

Academic Projects

Project 1: Python Calculator

A beginner program that performs simple addition, subtraction, multiplication, and division.

Python Beginner

Project 2: Student Profile Web Page

A simple website made to practise HTML and CSS and present student information.

HTML CSS

These are beginner project ideas. Replace them with your actual projects if different.

Achievements & Goals

- Learning programming as a first-year engineering student.
- Practising Python and improving basic coding skills.
- Working towards completing more academic mini-projects.
- Goal: take part in coding competitions and student technology events.

Add your real certificates, awards, or achievements here when you have them.

Resume

This website introduces my education, beginner technical skills, hobbies, and project interests.

You can use your browser's print option to save this page as a PDF resume.
